Subject: Recommendations for Program

Discussion: Incorporate more western riding / addition of a western horse / more driving - get a driving horse and cart / Linda - trailer on craigslist in Nebraska Ebay Motors / Kelly will ask Shawn C. about shipping cars or maybe reach out to an FFA chapter in Nebraska / Tractor driving should be added as a course - clarify licensure needs and requirements / Talk about the basics of electric fencing - maybe SR barn management / Polo program any hope of that happening? Polo program would have benefitted the kids in so many ways. We are pretty sure it's not going to happen ever. Don Ducharme enters the room / doesn't see why it wouldn't be an option - 24 kids in the program don't want over use of horses. Came down to funding and different people running the club and different strategies. Back of arena storage - there is a piece of property behind old campus potential for storage relocation or bus garage.

Subject: New Business

Discussion: Keeping Kelly and Mikaela on for the future years for continued industry related support.
