

SMARTIE GOALS

June 11, 2026

Superintendent-Director, Heidi T. Riccio, Ed.D.

Mission Statement

The mission of Essex North Shore Agricultural & Technical School is to *create* a culture of academic and technical excellence, *encourage* continuous intellectual growth, and *promote* professionalism, determination, and citizenship for all students, as they *develop* into architects, artisans, and authors of the 21st-century community.

Theory of Action

If the leadership team promotes innovation, learning, equity, and belonging, and community partnerships, then our students will be prepared for the future workforce.

Leadership Team Values (*Established, July 2018*)

- **Committed**
 - I have a strong commitment to ENSATS, as I believe we possess the necessary resources (human, facilities, and financial) to be the best agricultural and technical school in the Commonwealth.
- **Loyal**
 - I am loyal to the school and its community. ENSATS is where I would like to grow as a leader and refine my skills to better prepare our students for the ever-changing workforce.
- **Reliable**
 - I am dependable, and you can trust that I will work toward excellence in everything I do. I am present and visible, and I appreciate the uniqueness of our district, including the school and its facilities.
- **Passionate**
 - I am excited to bridge the connection between academic learning and technical-agricultural skills through the connections and relationships I build with students, parents, staff, and our community partners.
- **Hardworking**
 - I will work toward achieving our mission to *create, encourage, promote, and develop* our students. We must never become complacent in our approach to learning, whether it be academic, agricultural, technical, social-emotional, or in preparing our students to be the best they can be.

Introduction

We will celebrate the 11th year of our district by emphasizing high expectations and fostering a culture of belonging for all. Achieving this goal will truly be a team effort between our leadership team, union leadership, staff, students, community leaders, and all other members. We remain committed to our school-wide norms of “Be Prepared, Be Present, Participate.” The ENSATS staff will continue to be focused on preparing our students for high-paying careers on the North Shore. A positive culture where all students can learn to high levels is a long process and not done alone. Deb Coltin, from the Lappin Foundation, spoke to our teachers and staff on opening day to explain how to identify antisemitic statements and behaviors, as well as how to create a sense of belonging for all students in the classroom. Former New England Patriots player Ted Johnson was our keynote speaker, sharing his story of addiction and his journey to wellness. He emphasized the importance of seeking support for mental health and utilizing the resources available to you.

Student Learning Goal	Professional Practice Goal	District Improvement Goal
I will work with the ENSATS school community to strengthen the culture of high expectations through deeper learning principles.	I will work with all stakeholders to strengthen partnerships that allow students to engage responsibly with the communities in which they will live, volunteer, and work.	I will work with community leaders, local and state government, and staff to strengthen regional development in career, technical, and agricultural education.

[MidCycle Review Update 1.2026](#)

Student Learning Goal

High Expectations is the theme of this Student Learning Goal.

I will work with the ENSATS school community to strengthen the culture of **high expectations** through deeper learning principles.

Strategic Objective	Action Steps	EOY Update
Strategic Objective 1 <i>Innovation</i> - Provide opportunities that allow students to deepen their learning through meaningful integration of agricultural and technical skills, academic knowledge, and employability skills. Strategic Objective 2 <i>Equity & Belonging</i> - Engage all students, staff, and families equitably to foster a sense of belonging throughout our learning community.	1. Student Support/Programming • The Early College Program increased its offerings and recruitment. • Peer Mediation Program. • Work with NAGLY to support our LGBTQ+ community. • Student-Staff Mentoring Program. • Introduction Dignity Index. • Beginning-of-School-Year reinforcement of lessons on school norms. • Cell phone procedure for students with commitment from all staff. • ParentSquare platform for family communication. • After-school academic support. • Community events and athletics, cooperative education student. • Student Council is in its third year and provides a voice for students.	1. • Top 5% Awards Dinner for those in the top 5% of their class, recognizing a staff member who made a significant impact on their life. • Attended several pinning ceremonies for students. • Attended activities including junior and senior prom, awards night, National Honor Society, Early College recognition, and several others. • Attended the SkillsUSA National Conference, where a student placed fourth. • We have continued our work with the Dignity Index and divided into two teams. Two staff members have been trained to be Dignity Index trainers. They have created lessons about the Dignity Index for faculty training. • A Dignity Index student workshop was held for students in April.

	• Increase the populations of large animals and poultry. 2. Staff Support/Programming • Continuation of our work on the Deeper Learning practices from Hinge Education. • Collaboration Meetings with Administration and HTF Leadership. • All staff will participate in Professional Learning Communities. • Reinstate subcommittees for monthly meetings. • Lead Teacher meetings and staff-led book read of <i>Changing the Narrative</i>. 3. Professional development to support our staff in the implementation of equity best practices aligned to their particular role in the school or district. • Continue to collaborate with the Professional Development PLC Team to deliver high-quality professional development tailored to specific roles within the school. • Teacher Induction Program and Essex Tech Teacher Academy. • ECLC training offerings beyond the district.	• All students attended assemblies for Kindness Week, including a presentation by the DirTY Hands Project on mental health awareness. • Tony Leone from NAGLY (North Shore Alliance for LGBTQ+ Youth) met with our faculty and partnered with our GSA over the course of this school year to enhance awareness and increase access to our community's resources for creating a safe and inclusive environment not only for our students, but also our staff. • In addition to ParentSquare for written communication, Sentio translation software was piloted as a translation service for families during meetings and events. • After-school academic support continues to be available three days a week in the media center. A teacher and National Honor Society volunteers are available to support students if needed. • The Student Council organized a campus cleanup with Dr. Riccio and Ms. Donnelly in May. Over 40 students and 4 adults came to clean the campus prior to graduation. 2. • Successful contract negotiations with HTF prior to the close of school.
--	--	---

	• Massachusetts Partnerships for Youth professional learning opportunities. • Investment in a full-time CTAE Induction Supervisor and teacher. 4. Expand mental health initiatives and educational programming, and services to meet the needs of our neuro-diverse students. • NANProject. • Mental Health Makeover. • Mental Health Awareness Month. • Give, Guide, Get Mental Health Awareness Initiative. • Dirty Hands Project • Rail Trail Path 5. Campus Safety • Increase in Security personnel. • Expand license plate recognition capabilities throughout campus. • Expand video security to locations without coverage. • Hiring of a Compliance Officer.	• 5 administrators and 20 teachers continued to attend a series of professional learning workshops with Michael McDowell from Hinge Education. This work further supported our Deeper Learning practices through the ECLC. • The collaboration meetings between HTF and the administration continued throughout the year. • Subcommittees continued to meet monthly to provide time for staff to work collaboratively. • Lead Teacher meetings are also held monthly. This group is also participating in a staff book read of Changing the Narrative. 3. • The Professional Development PLC subcommittee met monthly to discuss the professional development offerings provided to our staff and to provide input on offerings for the 2026-2027 school year. • Staff and administrators have participated in several MPY offerings, including sessions related to legal alerts, attendance, special education, inclusive classrooms, and school avoidance.
--	--	---

		• A team of instructors and support staff engaged in an afterschool PLC to access professional development through MPY and consider how to enhance our practices relative to supportive members of our LGBTQIA+ community. • Through grant funding, Essex Tech partnered with NESCA (Neuropsychology & Education Services for Children and Adolescents) this year to provide targeted training and consultation for members of our administration, crisis response team, and student support staff. This professional learning focused on strengthening our capacity to implement safe, supportive, and inclusive practices for students with neurodivergent learning profiles while enhancing our ability to meet the diverse needs of all learners. 4. • To support our trusted adult initiatives, we have continued our partnership with the North Shore Youth Prevention Coalition and Michele Lipinski (also affiliated with the North Shore Recovery High School and PASS Program) to bring her Icanhelp trusted adult training to a team of interested staff.
--	--	---

		● <u>Care Solace</u>: We have partnered with Care Solace, a nationally recognized provider that affords families and students access to community-based mental health care, substance use, and social services providers, including Medicaid agencies, individual therapy practices, and telehealth options. Care Solace has already proven to be a valuable resource, especially as School Counselors & Wellness Instructors delivered Universal Mental Health Screens to all Essex Tech students, utilizing the <u>Signs of Suicide (SOS) for Students</u> and <u>Break Free from Depression</u> curricula as well as the <u>BSAD SBIRT/CRAFT+N</u> screening tools (see: <u>Care Solace Usage Report</u>). Additionally, families of our incoming Class of 2030 will soon have access to Care Solace, should they wish to access these supports as they prepare for their child to transition to our regional career technical high school. ● Caregiver Conversations with Counselors in-person morning sessions were held this spring. These sessions afforded caregivers the opportunity to talk with counselors in person about topics facing their teens, engage with other families, and foster a sense of belonging among caregivers. ● We continue to engage in our partnerships with The NAN Project and
--	--	---

		Project Adventure and the Resolution Center, expanding opportunities for students to develop social-emotional learning competencies and mental wellness skills. Through both school-day and after-school programming, these collaborations provide students with meaningful experiences that promote self-awareness, resilience, healthy relationships, and overall well-being. • Students and staff participated in a Hike for a Change on May 30th to support mental health awareness. This was a fundraiser for the DirTY Hands Project. This event also included the dedication of Ty's Trail, which connects our campus to the Danvers rail trail. 5. • Our Security Team has grown to 6 members, with team members working both inside and outside the campus to maintain campus safety. • Safety upgrades: ○ 10 new cameras ○ Added new vape detectors and now have a total of 35. • Mural ○ Annadidathing worked with DMC students to create a student-centered mural at Gallant Hall

Alignment to the Superintendent Standards

I-A. Curriculum

- ☐ Monitors and assesses progress across all schools and content areas to ensure that all instructional staff implement effective and rigorous standards-based units of instruction consisting of well-structured lessons with measurable outcomes.

II-A. Environment

- ☐ Develops and executes effective plans, procedures, routines, and operational systems to address a full range of safety, health, and emotional and social needs of students.

II-B-1. Recruitment and Hiring Strategies

- ☐ Implements a cohesive approach to recruitment and hiring across the district; uses data to identify priority areas of need and anticipated vacancies; and involves stakeholders in the selection of school and district leaders. As a result, it consistently identifies and hires effective administrators and educators who share the district's mission and increasingly reflect the diversity in backgrounds and identities across the Commonwealth to meet all students' needs. Supports principals to do the same.

II-C-2. Time for Collaboration

- ☐ Sets expectations for regular collaboration among administrators and promotes scheduling that ensures sufficient time for collaboration within and across schools. Establishes norms for effective collaboration and prevents or deflects activities that may interfere. Supports principals to do the same for their teachers.

II-D-1. Laws and Policies

- ☐ Understands and complies with state and federal laws and mandates, school committee policies, and collective bargaining agreements. Provides the resources and support to ensure district-wide compliance.

III-A-1. Engagement

- ☐ Welcomes and encourages every family to become active participants in the classroom and school community.

III-C-1. Culturally Proficient Communication

- ☐ Sets clear expectations and supports administrators to provide regular, two-way, culturally proficient communications with families about student learning and performance. District-wide communications to families are provided in multiple formats and reflect understanding of and respect for different families' home languages, cultures, and values.

IV-A-1. Commitment to High Standards

- ☐ Fosters and models a shared commitment to high standards of teaching and learning among all administrators, with high expectations for achievement for all students.

IV-A-2. Mission and Core Values

- ☐ Develops and secures, and/or promotes staff and community commitment to core values that drive a succinct, results-oriented mission statement and ongoing decision-making.

IV-B. Cultural Proficiency

- ☐ Ensures that policies and practices enable staff members and students to interact effectively in a culturally diverse environment in which students' backgrounds, identities, strengths, and challenges are respected.

Based on [5-Year Strategic Plan](#), adopted 7/2022

Professional Practice Goal

Strengthening Partnerships is the theme of the Professional Practice Goal.

I will work with all stakeholders to **strengthen partnerships** that allow students to engage responsibly with the communities in which they will live, volunteer, and work.

Strategic Objective	Action Steps	EOY Report (Updated 6/12)
Strategic Objective 3 <i>Partnerships</i> - Promote partnerships that allow students to engage responsibly with the communities in which they will live, study, and work.	1. Leverage and expand our community partnerships to create greater workforce opportunities for our students. To include workforce opportunities that include job shadows, internships, and job share opportunities, and connect this with community service. ● Utilizing PAC members. ● Work with multiple boards to expand opportunities. 2. Offer service learning/project-based learning to respond to communities in need that is aligned to our curriculum as a responsible member of the North Shore region. ● Community-based service activities. ● Second Chance Cars ● Agriculture theme in Freshman Seminar. ● Increased Topsfield Fair presence and demonstrations. ● Clinical rotations for Health Assisting and Early Education & Care 3. Expand the model of inviting community partners and CTAE Program Advisory	1. ● Signing Day for students entering the workforce with sponsorship from Urture Outerwear and Bill Butts as the keynote speaker. ● PAC members host students for an on-site visit at their company ○ CCL-Toured Turner's Construction project at Mass General Hospital ● Hosted Electrical Open House Showcase for local industry reps for a meet and greet with our students & staff in the Electrical program ● Attend monthly MassHire North Shore Board meetings ● Worked with Manufacturing industry partners to host an employer roundtable to discuss local industry trends and needs 2. ● North Shore Children's Museum ○ Carpentry assisted with the installation of exhibits ○ CTAE programs showcased their career areas by creating and presenting interactive lessons for preschool-aged children to celebrate CTE Month (February) ● Northeast Arc

	Committee Members to serve as judges of student projects, participate in panel discussions, and get involved in other school initiatives. • Credit for Life Fair • Mock Interviews with PAC members • Job Skills Fair • SkillsUSA CTAE Signing Day • Pinning Ceremonies • New programming • Tours	○ Sustainable Horticulture partnered with Northeast Arc to deliver a holiday-themed flower arrangement class for clients at their Liberty Tree Mall location. • Peabody Public Schools-South School ○ Health Assisting 10th graders presented health science lessons to elementary students. • River House Women's Shelter ○ Culinary Arts provided a holiday meal • Runway for Recovery ○ Cosmetology fundraiser for breast cancer awareness • Senator Tarr's Green Crab Summit ○ Natural & Env. Science and Culinary Arts participated in the summit. • Dirty Hands Project ○ A collaboration with Engineering, Carpentry & Advanced Manufacturing on designing coasters and other branding items for a fundraiser event. • Off-Campus Construction Projects ○ Endicott Park roof repair ○ Essex wheelchair ramp ○ Beverly Little League (Essex St field)-Electrical and Carpentry work ○ Stramski House in Marblehead-Plumbing, HVAC, Electrical & Carpentry work
--	--	---

		○ Middleton Field Restoration-Landscape ○ Future projects-Beverly Airport & Beverly Walkway Bridge 3. ● Submitted a new program application for Medical Assisting. ● Grant writing for future expansion efforts and equipment purchases. ● Commonwealth Corporation event in collaboration with ENSATS. ● Several tours of legislators and school districts to observe students in action. ● Harvard Business School tour of Construction programs to evaluate the need for schools like ENSATS. ● The annual Credit for Life Fair was held on December 12th. Several members of our community volunteered to make this event a valuable learning experience for our seniors. ● The Career Fair was held on January 15th to promote cooperative education opportunities for our 11th graders who are eligible for cooperative education at the beginning of February. ● Our annual College Fair was the largest yet, where over 60 representatives from over 60 colleges, training institutions, and the armed forces were on campus to orient over 500 students and their caregivers on prospective post-secondary pathways.
--	--	--

Alignment to the Superintendent Standards

I-A. Curriculum

- ☐ Monitors and assesses progress across all schools and content areas to ensure that all instructional staff implement effective and rigorous standards-based units of instruction consisting of well-structured lessons with measurable outcomes.

I-B. Instruction

- ☐ Sets high expectations for the content and quality of instruction and empowers all administrators to do the same, such that instructional practices throughout the district are engaging, inclusive, and personalized to accommodate diverse learning needs of all students. Stays informed of new, evidence-based instructional practices and provides resources and support to implement them as needed.

I-C-1 Variety of Assessment Methods

- ☐ Ensures that all principals and administrators use a variety of formal and informal assessment methods to measure each student's learning, growth, and progress toward achieving state/local standards. Monitors assessment use throughout the district for alignment to content and grade-level standards, and coherence across grade levels and subject areas.

I-E-1 Data-Informed Decision Making

- ☐ Uses multiple sources of evidence, including state, district, and school assessment results and growth data, educator evaluation data, and district culture and climate information, to assess and communicate the district's strengths and areas for improvement. Relies on disaggregated data to make decisions related to organizational performance, educator effectiveness, and student learning.

IV-A-1 Commitment to High Standards

- ☐ Fosters and models a shared commitment to high standards of teaching and learning among all administrators, with high expectations for achievement for all students.

IV-D-1 Continuous Learning of Staff

- ☐ Sets expectations for administrators and teams to reflect on and collaborate around the effectiveness of a wide range of practices related to instruction and student learning. Encourages and models curiosity and a growth mind-set, and ensures that all administrators use data, research, and best practices to adapt practice and plan appropriate interventions to achieve improved results.

District Improvement Goal

Regional Development is the theme of the District Improvement Goal.

I will work with community leaders, local and state government, and staff to **strengthen regional development** in career, technical, and agricultural education.

Strategic Objective	Action Steps	EOY Update
District Objective <i>Regional Development</i> - Align the Essex North Shore Agricultural & Technical School District education, facilities, and training resources to meet regional employers' demand for skilled workers.	1. Create a 3-5 year capital plan that encompasses the expansion of programming using existing studies and the MASSHire regional blueprint. 2. Update the agricultural plan that incorporates career technical and agricultural programming with current	4. • Community Offerings ◦ Welding ◦ Sewing (Spring 2026) • Hosted an Advanced Manufacturing employer roundtable to discuss industry needs in the region

	agricultural producers on the North Shore and surrounding communities. 3. Strengthen post-secondary opportunities through workforce development and career pathway training programs aligned with our regional economy and industry trends, using CTI funding and alternative funding sources. 4. Work with the Workforce Development Office to expand program offerings and community-based events. • Continue to work with MassHire. • Continue to work with Commonwealth Corporation. • Clean Energy Center • North Shore Technology Council • North Shore Community College for Heat Pump, Dental Hygiene, and Hospitality programming • Northern Essex Community College's post-secondary programming for Culinary Arts and Hospitality • Life Science Consortium of the North Shore 5. Community Outreach visits and events	• Continued to offer DESE-CTE-approved Teacher License Testing • Attended several meetings, including Commonwealth Corporation board meetings, MassHire board meetings, Chamber of Commerce board meetings, SkillsUSA board meetings, Scouts of America, MPY, board meetings • Planning meetings with NSCC and NECC to expand access to post-secondary programming while in high school, including Dental Assisting, Early College, Culinary Arts, and Hospitality 5. • Community visits to most sending communities are remaining to happen in late June • Attended finance and budget hearings in several communities • The monthly newsletter is sent to our families • Several community events are held at the Larkin, Assembly Hall, and Alumni Memorial Building, including MPY events, local athletic teams, Senator Tarr's community meetings, Chamber of Commerce breakfast events,
--	---	---

	• Community events hosted on-site and attended in the community • Monthly newsletter • Updated Community Profiles	DanversCares, Commonwealth Corporation, and more! • The budget book was presented and distributed to the District Committee. • 13 of 17 communities to date have passed the 2027 Operating Budget. • Continue to seek foundation funds. • Golf Tournament planning for ETEF.
--	---	--

Alignment to the Superintendent Standards

II-A. Environment

- ☐ Develops and executes effective plans, procedures, routines, and operational systems to address a full range of safety, health, and emotional and social needs of students.

II-A-1 Plans, Procedures, and Routines

- ☐ Ensures that effective plans, procedures, and routines are in place across the district that promote orderly and efficient student entry, dismissal, meals, class transitions, assemblies, and recess.

II-A-2. Operational Systems

- ☐ Implements operational systems and processes for the effective support and supervision of auxiliary staff (e.g. custodial/maintenance workers, transportation staff, clerical and administrative assistants, foodservice workers) so that all schools and district buildings are clean, attractive, welcoming, and safe

II-E-1. Fiscal Systems

- ☐ Develops a budget aligned with the district's vision, mission, and goals that addresses the needs of all students. Allocates and manages expenditures consistent with district/school-level goals and available resources, and effectively communicates budget rationale to staff, community members, and other stakeholder groups.

III-A-2. Community and Stakeholder Engagement

- ☐ Establishes strategic relationships with community organizations, community members, and businesses. Engages them to maximize community involvement in district effectiveness.

IV-E-1. Shared Vision

- ☐ Continuously engages administrators, staff, students, families, and community members in developing a shared educational vision focused on student preparation for college and career readiness, civic engagement, community contributions, and responsible citizenship.

Glossary - A Reference Guide

CTAE - Career Technical and Agricultural Education

ECLC - Essex County Learning Community - The Essex County Learning Community (ECLC) is a network of educators challenging bias and disrupting inequitable systems to drive sustainable change in public schools.

ETEF - Essex Tech Education Foundation. A new 503C non-profit to support the students of Essex Tech.

Integration Learning - Integration Learning is highly engaging, student-centered, open-ended instruction related to career technical, agricultural, and academic content, strategies, and skills through Integration Learning Projects that take place during the school day, after school, and during school vacations.

LEADS - Leaders Engaged and Activated to Drive System-wide Change, an economic and leadership development program that fundamentally changes the prospects of communities by investing in their civic infrastructure.

MassHire - MassHire creates and sustains powerful connections between businesses and job seekers through a statewide network of employment professionals through MassHire Career Centers and MassHire Workforce Boards engaged in building long-term talent solutions across Massachusetts.

MPY - Massachusetts Partnership for Youth is an organization that provides professional learning opportunities for educators.

NAGLY - North Shore Alliance of GLBTQ Youth, whose mission is to honor, respect, educate, and empower LGBTQ+ youth.

PLAT - Professional Learning Action Team

Second Chance Cars - Second Chance Cars is a Massachusetts 501 (c) (3) corporation that provides refurbished, affordable used cars to Eastern Massachusetts' low-income veterans and returning citizens.

LSO - Latino Student Organization - New to Essex Tech during the 2023-24, this organization is dedicated to promoting Latino student leadership and culture in the learning community.

PAC - Program Advisory Committee
